Short Bio

I am a PhD candidate in Political Science at the University of Toronto. I study the political economy of authoritarianisms. My dissertation is on how autocratic regimes politically control the business elite using repression and polarization during economic crises. I employ computational and experimental methods for my research. I'm a graduate associate at POSTCOR Lab. Previously, I was a Trudeau Centre Fellow at the Munk School.

Education

Degree programs

University of Toronto, CA

2018-24

PhD in Political Science

- Thesis | For Better for Worse: Autocrats and the Business Elite under Economic Hardship
- Committee Members: [Lucan Way](#), [Kanta Murali](#), [Michael Donnelly](#)

Professional Experience

Maidan, CA

2019-current

Co-founder

- [Maidan](#) forecasts elections and protests using big data analytics.

CityInclusive, CA

2017-19

Co-founder

- CityInclusive is a social-impact initiative dedicated to fostering youth participation in the design of smart cities.
- Canada's [Smart Cities Challenge](#) presented an opportunity for cities to make themselves socially inclusive. On our digital platform, we documented and analyzed the works of Canadian cities as they went through the process of developing applications for the Challenge.
- We also had a successful track record of facilitating future-cities-visioning simulations for high-school and college students.
- CityInclusive team was also recognized as futurists in residence at the Concordia University's [Institute for Urban Futures](#).

Co-Opinion Network, TR

2015-17

Founding President

- Co-Opinion is a policy-oriented network that mobilizes more than 30 stakeholder institutions in 6 countries across the Middle East & North Africa to tackle youth unemployment in the wake of 4th Industrial Revolution.
- The network aims for cross-sectoral collaboration between the private sector and youth-led non-governmental organizations. We achieved collaboration with region's several business associations.
- The network organized annual summits, capacity development workshops, and stakeholder meetings in Belgium, Italy, Lebanon, Morocco, Tunisia, and Turkey, with support by established organizations such as the Rockefeller Foundation.

Social Policy Researcher

- **Development Analytics** is a consultancy company that provides decision-makers in the public and private sectors with evidence-based research on social policy and development programmes. The company is specialised in large-scale data analysis and the application of statistical and econometric techniques to development issues.
- I assisted with quantitative and geo-spatial analysis, and desk reviews for two policy reports delivered to the World Bank and COMCEC.

Public Speaking

- 2022 ChatGPT Hayatimizi Nasıl Etkileyecek? [How will ChatGPT impact our lives?]. Istanbul: [TUIC](#) (December).
- 2019 Podcast: Görsel Kültürün Politikası [The Politics of Visual Culture]. Istanbul: [Medyapod](#) (February).
- 2018 Future of Turkey's Youth in a Time of Turmoil. Washington, DC: [Middle East Institute](#) (December).
- 2018 Middle Powers: Saudi Arabia. Toronto: Global Citizens Dialogue (November).
- 2018 On Spaces and Rights: Refugee Settlement Policies in Lebanon & Turkey. Montreal: McGill University (March).
- 2018 Socially Inclusive Fourth Industrial Revolution. Rome: Italian Ministry of Foreign Affairs (March).
- 2017 Youth Cooperation under an Authoritarian Regime. Istanbul: Konrad Adenauer Stiftung (April).

Selected Trainer Experience

- 2021 An Introduction to [spatial Analysis using R](#). Toronto: University of Toronto (March).
- 2017 Organizational Development & Management: Digital Security in the Age of Hyper-Surveillance. Istanbul: Co-Opinion (April-June).
- 2017 Design Lab: Preventing & Countering Violent Extremism. Istanbul: Co-Opinion & Hollings Center for International Dialogue (April).

Selected Events and Trainings

- 2023 IHS Discussion Colloquium: Polarization, Pluralism, and Democracy. VA: Institute for Humane Studies (May).
- 2021 IHS Discussion Colloquium: Polarization and Contemporary Political Life. VA: Institute for Humane Studies (November).
- 2021 IHS Discussion Colloquium: Liberty and Civil Society. VA: Institute for Humane Studies (April).
- 2017-18 Making Powerful Brand Storytelling; Business Model Canvas; Theory of Change & Design Thinking; VOX Method: Public Speaking; Social Impact Assessment; Making Persuasive Business Recommendations. Montreal: Jeanne Sauvé Foundation.
